

# Can Design Thinking Help the Triad Furnishings Industry Morph as Fast as the Marketplace?

Your creative ideas can help the furnishings industry  
take full advantage of emerging market opportunities!

A transformative series of classes and  
workshops exploring design thinking.

Six sessions. Saturday mornings. January 22  
through February 26. Final critique of project  
work by a nationally renowned designer.

Team up with other regional design innovators as we tackle one of the wicked problems  
facing the Piedmont Triad. Learn unique Design Thinking approaches that will lead you  
to develop unexpected solutions.
